

VICSAIL

Custom Day Sailer 28a™

General Specs

A very stylish Custom 28-foot day sailer, the Windsong is a cruising yacht that underwent an amazing and complete transformation in 2022, including a complete redesign of the interior and topsides from a liveaboard cruiser to an unforgettable weekend sailing adventure vessel. The boat began life as a humble Compass 28, a proven ocean venturer. Designed for day trips, but takes the whole family. An absolute pleasure to sail, with a spacious cockpit. Don't miss your chance to experience pure joy on the water!
