Beam	2.13m
Draft	1.37m
Displacement	2,595kg
Designer	E.W. Etchells
Location	Longeville, Sydney
Price	\$75,000

The fully fitted motorised Etchell's have proved to be amongst the best Day Boats for Sydney harbour. Fast, simple and easy to rig and sail. This one is amongst the best, she has always been under cover, has had little use, and we would strongly recommend an inspection.
