Designer:	Umberto Felci
Builder:□	Dufour (FRA)
Location:□	Middle Harbour Spit, NSW
Price:	\$147,500

Well maintained by fastidious owner. A really nicely fitted boat, with excellent quality fit out. This modern design has large volume, spacious comfortable dining, a complete galley and 2 double cabins and additional settee berths in salon. On Mimi the owner had also added a 3.5 KVA generator for safety and redundancy. This offers an ideal opportunity to add some air conditioning if needed.

Numerous additions, Electric winches, the generator, dinghy and outboard. Excellent sails with Asymmetric Spinnakers and Socks. A complete package. The well respected Grand Large design is a noted solid offshore boat
