'Black Pearl' presents very well inside and out. She boasts a warm home felt interior, with cosy outside lounge areas and sturdy engineering from bilges to bridge. The boat underwent a major refit in 2011, and her current owners have continued with the maintenance plan, with annual servicing and recommended upgrades just completed in March 2025. A recent survey is also available for serious buyers. If you are dreaming of Island-hopping adventures surrounded by crystal clear waters, then Black Pearl is the perfect platform. Entertaining family and friends for day trips, long weekends or even as a liveaboard option. Contact us today and make the dream a reality.
