'Regina' is an excellent example of a Club Swan 50.

First launched May 2017, this yacht has been continually upgraded and professionally maintained. Widely recognized as a very fast boat in the one-design racing fleet, this yacht is now for sale.

Included in the sale is a 40-foot container (new 2018) with work bench, shelves, and full-length sail racks. 'Regina' with a nearly new sail inventory and updated running rigging offers an opportunity for a new owner to immediately begin racing at the highest competitive level.
