

## 39' Timber Ketch

### General Specs

Length	11.90 m
Beam	3.25 m
Draft	1.75 m
Year	1967
Location	Sydney, NSW
Price	\$ 87,000

'Sana' is a beautiful sight to see on Sydney Harbour. I've admired her many times while out sailing on my little 'Bluebird' or racing across the harbour in the work tender. She always seems to be under full sail, which must be an indication of how easy to rig the topsail must be. The wishbone rig allows for easy tacking and easy reefing and as soon as a sail gets hard to handle, you simply drop it and carry on with the others. 'Sana' is a welcome regular at the Sydney Amateur's biennial 'Gaffers Day'. Her graceful lines and 4 sail rig lend her the presence and romanticism of an 18th century tall ship. Beautiful teak decks, bronze portholes and chrome dorades complete the picture. Down below is sparse by modern standards but welcoming and bright with white bulkheads and blonde timbers. This lovely classic is fast inshore and offshore, while easy to handle and comfortable to cruise. Well-presented and very well maintained, this is your opportunity to own a beautiful classic boat.
