Deck Hardware / Fittings

Deck Description	The cockpit is very roomy and provides good access to the side decks and transom area. The side deck height is low enough to allow access from a floating marina arm. There are fairleads and cleats for mooring lines and large lockers have been fitted to provide extra seating and storage. Most of the under the floor area is accessible which gives access to the engine, fuel and water tanks, rudder, steering gear and various electrical and plumbing systems. There is a very large folding table on centreline, which has been beautifully built and finished.
Ground Tackle/Anchor Winch	Muir Bronze anchor windlass, anchor, chain/ ground tackle. Windlass control at helm and chain counter.

		All weather covers have been replaced in 2022.
Accommodation	Accommodation Description	The forward saloon has two long and wide bunks or lounges either side. The cockpit has seating for 6 or more around the long removable table. These mattresses lift off to provide access to the bilge and storage for safety equipment etc. There is a double opening hatch overhead which is original but has been fully restored. At the forward end of the saloon is a doorway to a head area with a sink and some cupboard storage. Behind the head is access to the electric anchor winch and chain. This area is ventilated via mushroom vents and another hatch. The flooring panels have been replaced in 2021 with teak and celery inlay. Fwd there is an Electric flush toilet.
Safety Equipment	Safety Gear	To be audited during the survey.
	Bilge Pumps	Yes
Electrics / Electronics	Electrics	3 x 92amp hour house batteries. AGM 12 breaker BEP DC switch panel for electrical equipment onboard
	Instruments / Navigation	Garmin GPS plotter coupled to Raymarine display for speed/ depth etc. Horn. New twoway radio.
Sail / Rigging	Mast / Rigging	The boat was originally a motor sailer and sported a larger mast. As part of the refurbishment. A small, lowering mast was added. This could accommodate a simple steadying sail.
	Deck Gear	All original bronze deck fittings including classic spot-light and navigation lights.
