Her story is well documented through several books and many articles. Her sparkling race record began in New Zealand, and then as the line honours winner of the Sydney to Hobart yacht race in 1966. The race winning performance continues to this day with harbour sailing, another five completed S2H races, many trips to Lord Howe Island, and races to the Solomon Islands, Tasmania, Queensland and NZ. Although her race record is important she is a very stable and safe ocean sailing yacht.
She remains a “Greyhound” but is equally at home in cruising mode and is an easily handled vessel!
