General Specs

Length	26.20 m
Beam	6.70 m
Draft	3.30 m
Year	2001
Location	Hamilton Island, QLD
Price	\$ 2,400,00 AUD

A fast and elegant yacht. Designed by Paul Stanyon (Buizen 48) and built beautifully by Boatspeed (Brindabella). Epicurus is a vessel of grand proportions, but with systems and equipment designed to ensure ease of handling and functionality. The current owners have carefully upgraded and maintained her as required, and the result is a large and powerful cruising yacht, well suited for an active couple or perhaps a larger family to explore the Pacific and beyond.

The layout offers a very large, full-beam cabin aft with a VIP cabin forward. There is a mid-cabin which offers a working sauna. Quality is evident everywhere in the timberwork and attention to detail. Epicurus is absolutely ready to go. Located on Hamilton Island and just awaiting a visit and test sail.
