She was launched in 1952 and has always called Sydney harbour her home.

Karalee is a superb example of a classic harbour cruising yacht from that period, and has been lovingly maintained by the current owner who has painstakingly refitted/ restored the boat as required to keep her in first class condition. Over the years Karalee has successfully competed in classic yacht regattas, and with her powerful sail plan she is rewarding to sail. She is also very easy to sail single or short-handed thanks to the self tacking staysail and autopilot!

Karalee is listed on the Australian Maritime Museums historic vessel register- # HV000293.
