An exceptionally well maintained and outfitted, turn-key example of Carl Alberg's classic, beautiful, and time-tested blue water cruiser, the Alberg 37. After a several year refit to bring the boat up to modern offshore standards, Whiskey Soul just very capably completed a trans-Pacific passage from Canada to Australia (2024-2025) and is now available for the next chapter in it's storied history!

The previous owner is happily available to provide information and mentorship/assistance to the new owner(s), and has well-organized maintenance records/schedules and detailed documents available for all systems aboard.

The Alberg 37 was recently named #3 on Practical Sailor's rankings of the Top 5 Classic Cruising Sailboats and was regarded as "the Sailor's Sailboat" for it's performance under sail.
