

## Beneteau First 51-1987- French Connection

Designed by FRERS as a "racer/cruiser", built in the "bespoke" CNB yard of Beneteau yachts where quality and attention to detail were paramount, plus with lines akin to a SWAN, this magnificent FIRST 51 foot yacht has stood the test of time with an appeal many current designs would envy.

French Connection was purchased by the current owner in 1998 and has been lovingly cared for ever since. She is slipped annually and the motor whilst original, runs smoothly and is a testament to the owners level of care. A recent condition report is available for inspection.

The standard of timber work down below is far superior to modern production yachts and recent new coverings on the seating gives the cabins a light and airy feel. The sail wardrobe is in good condition and comprehensive.

French Connection has just been slipped and had new anti-foul, polished topsides and a good spring clean and is ready to go.

Huge price reduction to meet the market. For more information about this great yacht please contact Bill on 0417114372

### General Specs

Make	Beneteau
Year of build	1987
Builder	Beneteau France.
Designer	German Frers
Draft	1.8m
