A big boat for cruising with lots of space to live and yet easy to manage without needing additional crew. Escape is a superb example of these great family cruising yachts and has added benefit of commercial registration for potential charter income plus loads of updates to keep her in pristine condition.

Below decks you can stretch out or entertain in a designer lounge space with modern functional galley. The skylight companionway makes the saloon feel spacious and airy.

Forward is a stylish master cabin with large ensuite including separate shower. Aft is two double cabins that can split to twin berths, also with ensuites.

Huge, covered cockpit and deck space forward and a large sail locker/ laundry in the bow are just some of the excellent features onboard Escape.
