Victoire (formerly Decision and Fomo) is a Carkeek Fast 40 built by the famous racing yacht shipyard, McConaghy Boats. This all-carbon and nomex constructed racing yacht was built in custom female tooling and has been campaigned successfully across the globe in all conditions. She continues to perform as the current Victoire for previous Sydney to Hobart winner and is ready for new challenges and to provide owner and crew a great ride every sail! Superb rig, rigging and updated sail package is just one highlight of this proven race winner! Sign up for fun and results with this easy-to-campaign Grand Prix 40 footer!
