

VICSAIL

Catalina 380

General Specs

Length	11,58 m
Beam	3,76 m
Draft	2,19 m
Year	2001
Location	Kirribilli, NSW
Price	\$ 140,000 AUD

The Catalina 380 is a capable offshore cruising boat that mode features the nice underbody with reasonable draft and a flat run aft suited well for cruising. It is little surprise the 380 was awarded best mid range cruiser. Adios is a one owner boat, and after a recent clean up she is serviced, clean and ready to go. Very much an owners boat. The incredible island double aft is not only unique, but a real winner. The in mast furling ensures easy handling. The dodger and Bimini are in place, but require new covers. The price is also very sharp!! Be quick to move on this boat.
