

Dehler 38 Competition

General Specs

Make and Model	Hanse 380 Performance
Year	2014
Designer / Builder	Judel / Vrolijk
Location	Melbourne
Price	\$280,000

The Dehler 38 “Competition” Rogue was originally commissioned in Sydney in 2013. The Competition version comes standard with upgraded carbon rig and boom, deeper fin keel with bulb and upgraded deck hardware. The current owner of Rogue has done further upgrades such as custom bow sprit, inventory of racing sails, added a flat deck headsail furler and loads of good running rigging. The interior fit-out is very impressive and functional and features curved teak-veneered panels throughout and soft, “light weight” fabric hanging lockers etc. Other luxury touches are fabric headliner panels and a pleasingly designed bottle cabinet sliding out from the table base. It’s a true performance cruising yacht very capable of performing well in club races, regattas or an offshore race! Rogue is an easy to manage boat from a highly respected production brand, its well maintained and should retain excellent resale value. Contact us for a full inventory and further pictures.
