The Dufour 325 remains one of the most respected 32-33ft cruisers to its balance of performance, comfort and intelligent design. Jacana presents as a well kept example. Below the deck the yacht offers excellent volume with a spacious saloon, generous galley and one of the largest aft cabins in the class. On deck, self tailing winches, genoa tracks and all lines leading aft make an easy and safe to sail short handed vessel. A versatile well balanced, comfortable cruiser that delivers big boat feel in an easy to deal with package. Ideal for coastal cruising, weekends away or relaxed twilight sailing.
