Deck Hardware / Fittings

Deck Description	<p>At 58 feet, No Ties is a large and commodious cruiser. Her teak decks are wide, and everything is accessible and well thought out for sailing in all weathers.</p> <p>Since the boat carries its beam well aft, the after deck is very wide and home to a huge lazarette. Twin "Flightdeck" steering pedestals with front mounted, wrap around wheel for safe and easy use of pedestal instrumentation, with WeatherMax Graphite Grey covers. Carbon-effect leather to both wheels. The cockpit has a huge folding teak table finished with</p>
------------------	--

a flawless varnish job. Six can dine at the table comfortably. With all lines led aft to the helms, the cockpit remains uncluttered. No Ties has a custom hard-top bimini with central opening, overhead helm windows, courtesy lights & speakers. Removable spray screen incorporated into bimini with zip-on enclosure panels & mesh screens.
