This well-maintained vessel has had just two owners since new, with the current owner caring for her since 2011. During the 2011 and 2012 seasons, she cruised the scenic waters of Scandinavia, followed by two adventurous seasons en route to the Mediterranean. In recent years, she has enjoyed extensive and comfortable cruising throughout the Aegean, exploring the coastlines of Turkey and Greece. For the past 10 years, she has been professionally wintered at Basimakopouloi Shipyard in Kalada, Greece — safely stored from mid-October to mid-May each year on a dedicated cradle on the hardstand. The hardstand and cradle are available to the next owner, offering a seamless transition and secure winter storage.
