Designed by Judel/Vrolijk & Co and built by Hanse Yachts in Germany, this Hanse 458 delivers an impressive blend of performance, comfort, and easy handling. The bright, spacious interior includes three double cabins, two bathrooms, a well-equipped galley, and an inviting saloon, making extended cruising a pleasure. On deck, the self-tacking jib, all lines led aft, quality sail inventory, and bow thruster make short-handed sailing simple and enjoyable. Well maintained and comprehensively equipped with lithium batteries, solar, watermaker, modern navigation electronics, and a reliable Yanmar diesel, she is equally suited to coastal cruising or extended offshore adventures. Playlist is very well set up. She would be suitable for a buyer considering a new boat purchase.
