Lagoon 380 S2 Lukim Yu is a wonderful opportunity for those seeking a proven, comfortable cruising catamaran that's ideal for family and friends. Renowned as one of Lagoon's most popular and successful models, the 380 offers an exceptional balance of performance, space, and ease of handling. Designed for longer passages yet equally enjoyable as a relaxed weekender, Lukim Yu has cruised extensively throughout Australia, the South Pacific, and Asia- demonstrating her capability, reliability, and comfort at sea. The generous 4-cabin layout provides excellent accommodation, with bright, airy interiors and new upholstery inside and out (2022), making her welcoming and practical for extended cruising or holidays aboard.

Based in the heart of the Whitsundays, this yacht offers immediate access to some of Australia's most beautiful cruising grounds. Berthing and maintenance are already in place, allowing you to step aboard and start enjoying the lifestyle without hassle. Well maintained and ready to go, she was antifouled in 2025 and is currently in full AMSA National 4D Survey for up to 8 people (May 2025), reflecting her high standard of care and presentation.

For those who may also wish to offset ownership costs, Lukim Yu does offer an established business opportunity with forward bookings already in place- providing flexibility for owners who want both a superb cruising yacht and the option of income when not in

personal use. We are happy to provide details on request.
