

Lagoon 50

General Specs

Length	15.24 m
Beam	8.10 m
Draft	1.40 m
Year	2020
Location	Pacific
Price	1,400,000 AUD

Lagoon 50 Owner's Version, never chartered, immaculately maintained — extended layout with 4 cabins (Owner + 3), premium off-grid specification including Integral E-Power System & Zero Jet Tender. She is a unique and very well appointed vessel. The really nice saloon layout flows easily to the aft cockpit and deck. Seadeck (in grey) gives a really nice feel to outdoor surfaces. Power systems are all exceeding expectations. The standard engines each have an integral charging system fitted. This combined with 4 KW of Solar and Integral power units negates the need for a generator. Sails are all good quality. Rigging is recently replaced, and servicing is to exceptionally high level. Strongly recommended for extended cruising!
