The Lagoon Sixty7 is a strong and powerful ocean cruising catamaran. From VPLP design this is a very well thought out and considered boat. Powered by the upgraded twin 440 HP Yanmar engines, offering an economical cruise speed of 10-12 knots, with a max speed of 15 knots. 'Marooned' features an impressive 5 cabin layout with a huge saloon. The advantage of this model is the large open deck space all around, especially on the foredeck, making her a perfect entertainer. With low hours (1700h), and superb maintenance, this boat presents as a truly excellent value! Be sure to make contact to receive more information.
