Beam:	2.43m
Draft:	.07.
Year:	2004
Builder:	Marshall Lord
Designer:	Marshall Lord
Location:	Neutral Bay, Sydney
Price:	\$96,500

Cylix is a great harbour and estuary cruiser. Capable of safe coastal passages. Well-engined and a good performer. The meaning of her name (Cylix)..... "Old drinking vessel". Not to cast aspersions on those that sail her, but she's just a perfect boat for picnics with friends, and lazy family afternoons. Good accommodation for a couple, with an enclosed head and basic galley. Sun protection with a full awning. Bow thruster for easy berthing. Good maintenance, and absolutely ready for immediate use!!
