Caolila R is one of the most successful Maxi 72's built in recent years, and one of the best performing IRC boats currently available in the world. Maxi 72 World Champion 2014.

Built to exacting standards by Longitud Cero in Spain, famous for building high end racing yachts, Caolila R has always been professionally maintained and sailed; This boat offers absolute Grand Prix level racing performance and is ready to go right now with nothing to spend.

A superb inventory of sails and equipment is accommodated in two Certified 40 ft custom built containers, both with aircon. One is office and workshop, the other with sail storage and sail repair equipment including sewing machine.

Caolila R is immaculately presented for sale in Savona, Italy. A must see if High Performance racing is your passion!
