

VICSAIL

Princess V48

This 2007 Princess 48V 'Optimus' is a great opportunity to purchase a well cared vessel. She's an excellent entertaining space, both cockpit and below the deck. She was always professionally maintained. Optimus engines were upgraded to twin Volvo Penta 575 HP, she can cruise effortlessly in the low to mid 20 knots with max speed over 30 knots. Inspection highly recommended!
