Length	62 ft
Beam	9.27 m
Draft	1.6 m
Year	2011
Price	\$1,550,000 AUD

Designed and fitted out as the showpiece for the Cannes International Boatshow, In The Wind was hull number one Sunreef 58, successor to the popular Sunreef 62 model which sold in 35 units. She was built with the vacuum infusion technology and light-weight composite materials used in aviation and aeronautics. The layout is an exclusive owner's suite, 3 guest cabins and 2 crew cabins. The owner's cabin is located in the starboard hull and furnished with a king-size bed, desk, private bathroom. There are 2 VIP guest double cabins and the third guest cabin is equipped with bunk-beds – a perfect solution for kids. The large grid windows plenty of sun light into each of the cabins and perfect framed views from your bed. The main deck houses a completely equipped galley, living/dining-room and lower helm with navigation, communication and automatic pilot equipment. the total interior living space is 62 m² (667 sq ft). The low draft means you can get in closer to your idyllic destinations.
