This Sunreef 60 Loft Sailing boasts a combination of exterior and interior areas which easily flow together. A clever fly bridge and superstructure design allow for a superior level of comfort and several unique lounging areas on board. A stylish and beautiful catamaran, a dream to own. Ubiquity will exceed all expectations!

The Australian owner took delivery of the boat from new at the factory in Poland and since 2016 have enjoyed touring the world prior to shipping the boat back to Australia.
