

Swan 40

General Specs

Length	12,05 m
Beam	3,30 m
Draft	1,94 m
Year	1971
Locatio	Balmain, NSW
Price	$ 130,000 AUD

The Swan 40 is a Sparkman and Stephens design, strongly constructed in GRP by Nautor of Finland. “Byzance” is a well cared boat, and with recently fitted new motor, and attention to both interior and exterior finishes, she is looking very nice. The 40’ Swan is a good racing boat, but also comfortable for cruising. With her mast head rig, and sweet IOR underbody, she will be a good up wind performer, and a dream on the helm. This is a rare find in Australia, and very worthy of consideration. Keenly priced and ready to go.
