Location	Sydney, NSW

Built in 2002, she looks and feels like a 2020 model.

Nothing has been spared to keep Absolut in perfect condition which includes new paintwork, revarnishing, regular meticulous servicing, upgraded GARMIN electronics and new interior finishes. She has a composite over epoxy encapsulated mahogany planking & framed hull which provides additional strength and insulation over GRP hulls. Her topsides are GRP. All this combined to provide a more efficient vessel, with stylish finish and beautiful timeless interior. It's an exceptional opportunity to become the owner of this beautiful motor yacht. One of the best-looking boats of her classic class produced, her proportions are perfect and the result of extensive design and testing by the manufacturers Vicem Yachts who are internationally acclaimed as one of the oldest and most highly regarded designers and manufacturers of this timeless "Down East" design.

She is a unique addition to the Sydney Harbour fleet and a standout design.
