Built by hand with unparalleled attention to choose of materials, fittings, and finishes, to own a Down East Design boat is a lifetime achievement and only available to the fortunate few. Palm Beach, Hinkley (USA) and Vicem Yachts are the three leading worldwide manufacturers of the unique and truly magnificent boat Down East Design boats.
'Mareluna' is a beautiful example of this coveted design. She is constructed in hand crafted timber finishes and features a unique modern insulated fibreglass composite hull. All "down-easter" style vessels feature a high bow and deep V hull providing smooth running even in the most challenging conditions whilst retaining a dry deck.
This Vicem 55 is a true Classic. Constructed in 2023 she has received the very best attention from the builders and owner. She is a very first V55 in Australia, and surely one of the best motorboats available in Australia. She is unique in so many ways, so if you are looking for the perfect one in a lifetime opportunity this is the boat for you.
